Admitted: Mr. Jack Hyde, San

Eble us to win the 1956 elections, including both the presidency and control of Congress again.'

The Republicans, of course, wisin the same. But at this moment there is not a single issue which anyone could say positively would be of sufficient magnitude in 1956 to mean victory or defeat for one cide or the other.

When the Democrats won control of Congress in November they did so by a paper-thin majority. By itself that was significent.

Even four people can make a gala event out of a birthday or an anniversary. Instead of spending these special days lamenting the states. California, Idaho, Louisiana. Montana, Ohio and Tonnester they see. They soon will get to work in 39 other states.

Scores of new faces will be seen in the capitals. The elections last full touched off a broad political treasure, Every family should have

did so by a paper-thin majority. By itself that was significant.

It meant the voters themselves recognized no great difference between Democrats and Republicans.

In a time of great prosperity like this, when people are earning and eating well, they feel no need, and make no demands for either great reform or radical change. For that reason the programs of the two parties, which have to raflect the popular moed in order to succeed, tend to be mederate.

Eble us to win the 1956 elections, including both the presidency and control of Congress again.'

The Republicans, of course, wisin the same. But at this moment there is not a single issue which anyone could say positively would be of sufficient magnitude in 1956 to mean victory or defeat for one cide or the other.

When the Democrats won control of Congress in November they did so by a paper-thin majority. By itself that was significent.

Even four people can make a gala event out of a birthday or an anniversary. Instead of spending these special days lamenting the states. California, Idaho, Louisiana. Montana, Ohio and Tonnester they see. They soon will get to work in 39 other states.

Scores of new faces will be seen in the capitals. The elections last full touched off a broad political treasure, Every family should have

did so by a paper-thin majority. By itself that was significant.

It meant the voters themselves recognized no great difference between Democrats and Republicans.

In a time of great prosperity like this, when people are earning and eating well, they feel no need, and make no demands for either great reform or radical change. For that reason the programs of the two parties, which have to raflect the popular moed in order to succeed, tend to be mederate.

Branch
Admitted: Mr. Jack Hyde, San

Eble us to win the 1956 elections, including both the presidency and control of Congress again.'

The Republicans, of course, wisin the same. But at this moment there is not a single issue which anyone could say positively would be of sufficient magnitude in 1956 to mean victory or defeat for one cide or the other.

When the Democrats won control of Congress in November they did so by a paper-thin majority. By itself that was significent.

Even four people can make a gala event out of a birthday or an anniversary. Instead of spending these special days lamenting the states. California, Idaho, Louisiana. Montana, Ohio and Tonnester they see. They soon will get to work in 39 other states.

Scores of new faces will be seen in the capitals. The elections last full touched off a broad political treasure, Every family should have

did so by a paper-thin majority. By itself that was significant.

It meant the voters themselves recognized no great difference between Democrats and Republicans.

In a time of great prosperity like this, when people are earning and eating well, they feel no need, and make no demands for either great reform or radical change. For that reason the programs of the two parties, which have to raflect the popular moed in order to succeed, tend to be mederate.

Coming and Going

Associated Press News Analyst WASHINGTON (Miff the Demo-crats could put into a newspaper ad what is going on in their heads as they take over control of the set they take over control of the new Congress Wednesday, it would go something like this:

"Wanted: one or more good issues durin the next two years of this 84th Congress which will enable us to win the 1956 elections, including both the presidency and shows steps to enact such legislatures with the back-to-work season opened today for state legislatures with meny of them headed for consideration of fright-to-work? I aws already are on the books of 17 states. Generally they outlaw labor contract arrangements for a "union shop" or similar provisos requiring werkers to join unions.

An Associated Press survey shows steps to enact such legislatures with meny of them headed for consideration of fright-to-work."

So-called "right-to-work" laws already are on the books of 17 states. Generally they outlaw labor contract arrangements for a "union shop" or similar provisos requiring werkers to join unions.

An Associated Press News Analyst The back-to-work season opened today for state legislatures with meny of them headed for consideration of fright-to-work."

So-called "right-to-work" laws already are on the books of 17 states. Generally they outlaw labor contract arrangements for a "union shop" or similar provisos requiring werkers to join unions.

An Associated Press survey should be a student and the back-to-work season opened to day for state legislatures with meny of them headed for consideration of fright-to-work."

Answer: It is indeed a sorry state belong to the back-to-work and should applied to the back-to-work season opened to the body of them headed for consideration of the back-to-work season open

Mr. and Mrs. I. L. Murphree and daughters, Kathryn and Emily, of Athens, Ohio, have returned home after a visit with Mrs. Murphree's parents, Mr. and Mrs. Frank Trimble.

Hospital Notes

Branch
Admitted: Mr. Jack Hyde, San

Eble us to win the 1956 elections, including both the presidency and control of Congress again.'

The Republicans, of course, wisin the same. But at this moment there is not a single issue which anyone could say positively would be of sufficient magnitude in 1956 to mean victory or defeat for one cide or the other.

When the Democrats won control of Congress in November they did so by a paper-thin majority. By itself that was significent.

Even four people can make a gala event out of a birthday or an anniversary. Instead of spending these special days lamenting the states. California, Idaho, Louisiana. Montana, Ohio and Tonnester they see. They soon will get to work in 39 other states.

Scores of new faces will be seen in the capitals. The elections last full touched off a broad political treasure, Every family should have

did so by a paper-thin majority. By itself that was significant.

It meant the voters themselves recognized no great difference between Democrats and Republicans.

In a time of great prosperity like this, when people are earning and eating well, they feel no need, and make no demands for either great reform or radical change. For that reason the programs of the two parties, which have to raflect the popular moed in order to succeed, tend to be mederate.

Admitted: Mr. Jack Hyde, San

Eble us to win the 1956 elections, including both the presidency and control of Congress again.'

The Republicans, of course, wisin the same. But at this moment there is not a single issue which anyone could say positively would be of sufficient magnitude in 1956 to mean victory or defeat for one cide or the other.

When the Democrats won control of Congress in November they did so by a paper-thin majority. By itself that was significent.

Even four people can make a gala event out of a birthday or an anniversary. Instead of spending these special days lamenting the states. California, Idaho, Louisiana. Montana, Ohio and Tonnester they see. They soon will get to work in 39 other states.

Scores of new faces will be seen in the capitals. The elections last full touched off a broad political treasure, Every family should have

did so by a paper-thin majority. By itself that was significant.

It meant the voters themselves recognized no great difference between Democrats and Republicans.

In a time of great prosperity like this, when people are earning and eating well, they feel no need, and make no demands for either great reform or radical change. For that reason the programs of the two parties, which have to raflect the popular moed in order to succeed, tend to be mederate.

Eble us to win the 1956 elections, including both the presidency and control of Congress again.'

The Republicans, of course, wisin the same. But at this moment there is not a single issue which anyone could say positively would be of sufficient magnitude in 1956 to mean victory or defeat for one cide or the other.

When the Democrats won control of Congress in November they did so by a paper-thin majority. By itself that was significent.

Even four people can make a gala event out of a birthday or an anniversary. Instead of spending these special days lamenting the states. California, Idaho, Louisiana. Montana, Ohio and Tonnester they see. They soon will get to work in 39 other states.

Scores of new faces will be seen in the capitals. The elections last full touched off a broad political treasure, Every family should have

did so by a paper-thin majority. By itself that was significant.

It meant the voters themselves recognized no great difference between Democrats and Republicans.

In a time of great prosperity like this, when people are earning and eating well, they feel no need, and make no demands for either great reform or radical change. For that reason the programs of the two parties, which have to raflect the popular moed in order to succeed, tend to be mederate.
